

Health & Safety Data Sheet

Doc. ID :

QDS 0172

Reviewed Date : 27 June 2000

1) ID of substance/preparation & manufacturing company

Product Tradename: **Typewriter Carbon & Handcopy Carbon**

Supplier/Manufacturer: *Royal Sovereign Ltd.
7 St Georges Industrial Estate
London N22 5QL*

Tel: 020 8888 6888

2) Composition/Information on Ingredients

Chemical Composition/Characteristics:

Form : Solid
Colour : Black/Dark Blue
Odour : Slight characteristic

3) Hazards Identification

N/D

4) First Aid Measures

	TREATMENT
Inhalation	If irritation occurs, move to fresh air. If nose or airways become inflamed seek medical advice.
Skin Contact	Wash the affected area thoroughly with soap and water before continuing. If discomfort, irritation or other symptoms occur seek medical advice.
Eye Contact	Immediately rinse opened eye for several minutes under running water. If symptoms persist or develop, seek medical attention immediately.
Ingestion	Wash out mouth with water. Do not induce vomiting, drink plenty of water. If symptoms develop or persist, seek medical attention.
Allergic	(Unlikely) Remove individual from sphere of activity and seek medical advice.

5) Fire-fighting

Suitable Extinguishers	:	foam, powder or water jet
Fire Prevention	:	Combustible in contact with flame burning quickly with smokey flame. Keep away from naked flame and other sources of heat
Combustion Products	:	Co2 and CO
Fire Fighting Procedure	:	Fight larger fires with water jet or foam.

6) Accidental Release Measures

Personal Precautions	:	N/A
Environmental Precautions:	:	N/A

7) Handling & Storage

Procedure for Safe Storage:	:	Store under dry conditions at normal atmospheric temperatures.
Handling	:	Observe the normal precautions when handling packaged products (Manual Handling Operations Regulations 1992).

8) Exposure Controls/Personal Protection

Personal Protection

Eye Protection	:	N/A
Hand/Skin	:	Wash hands after use.
Respiratory	:	N/A
Ingestion	:	N/A
Ventilation	:	N/A

9) Physical & Chemical Properties

Melting point (wax ink)	:	80 C
Density	:	approx. 1.000 g/ml
Water solubility	:	insoluble

10) Stability & Reactivity

Materials/Conditions to Avoid	:	Heat and naked flame
Stability	:	Stable.

11) Toxicological Information

May be regarded as physiologically harmless and non-toxic to humans.

12) Ecological Information

Not biodegradable or water soluble

13) Disposal Considerations

Small volume disposal: Use normal domestic routes.

Large volume disposal: Place in a suitable container for disposal under guidance of Local Authority.

14) Transport

Not classified as hazardous for transport purposes

15) Regulatory Information

Label Name : N/A **Symbol:**

Risk Phrase : N/A

Safety Phrases : N/A

16) Other information

The data contained in this Safety Data Sheet has been compiled from the best available knowledge in accordance with the requirements of 'The Control Of Substances Hazardous To Health' for the purpose of protecting the health and safety of industrial and commercial users who are deemed capable of understanding and acting on the information provided. We do not accept any liability for any loss, damage or injuries resulting from its use (except as required by law).

The information may not be valid for any use not referred to in this Data Sheet or use of the product in combination with other materials, and may be later amended in the light of new data.

Please ensure that it is passed to the appropriate person(s) in your company, who are capable of acting on this information.
