Toxicology

Not harmful if used in the proper manner.
STAEDTLER products are subject to comprehensive quality inspections.

Conformity

STAEDTLER stick meet the standards:

ISO 12757-1 'Ball point pens and refills – Part 1: General use'
ISO 12757-2 'Ball point pens and refills – Part 2: Documentary use (DOC)'
Models which are available in indelible paste.
ISO 11540 'Caps for writing and marking instruments intended for use by children up to 14 years of age – Safety requirements'.
Ventilated caps reduce the danger of asphyxiation for children up to the age of 14 should caps be accidentally swallowed.

Usage notes

Airplane-safe: Automatic pressure equalisation prevents pen leakage while on the plane.

Cap and clip in the colour of paste inks.
